Sales Tax Information

Because we do not have a store in Vermont, Crate and Barrel is not required to, and does not, collect Vermont sales or use tax. Your purchase, however, is subject to Vermont use tax unless it is specifically exempt, and you therefore must report the purchase and pay the applicable tax, using the Vermont use tax form. A copy of that form and instructions for completion, as well as information as to exemptions that may apply, are available on the State of Vermont website at www.state.vt.us/tax/usetax.shtml. Please note that your purchase is not exempt merely because it was made over the Internet, through one of our catalogues or by other remote means.
